

SASS Colloquium

The culmination of South African Student Affairs Student Success (SASS) programme will take place on 28 November, from 09:00 to 17:00. A programme of Higher Education Leadership and Management (HELM), SASS has offered live and virtual sessions throughout 2023 and we celebrate the successful completion of this first cohort.

The day encompasses an array of panel discussions, which shall segue into a collective reflection upon the peer learning groups and the role they have played during the programme. There will also be discussions regarding the refining of research projects into academic articles for publication in the Journal of Student Affairs in Africa.

To celebrate the occasion, the final colloquium will be held in person at the Southern Sun, O.R. Tambo International Airport, located in Johannesburg.
